Lakeview Restaurant & Camping Resort

The campground has 80 sites available, mostly all wooded sites, each with a fire ring and a picnic table. Sites are equipped for water, electricity, cable TV and sewer. Also, there is a spacious tenting area. We provide the extra oversized sites that can accommodate RVs of unlimited length.

Within walking distance lies a family style restaurant specializing in steaks and seafood. Serves breakfast, lunch and dinner. Lounge with full service bar. Sit on our patio with breathtaking views on Long Lake while enjoying a mouthwatering selection from our appetizer and beverage menus.

The campground features facilities that are brand new, restrooms that are clean with hot showers, dumping station-honey wagon, laundry and propane gas. Wood, ice, snacks, groceries and basic camping supplies are available at our convenience store, located on the premises.

Any additional needs you may require, please ask one of our staff members, who will be happy to serve you.
